Dear Friends:

I would like to take this opportunity to congratulate and commend you on the upcoming launch of *Samay*. Young India exemplifies the contributions that Indians are having on our great nation.

*Samay* will be launched on March 12th, the 75th Anniversary of the now famous Salt March lead by Mahatma Ghandi, and like him, *Samay* will represents the hopes and dreams of billions of Indians around the world.

As co-chair of the India Caucus, I intend to use my leadership post to advance the goals and interests of not only Indians, but also Indian-Americans. The Caucus will work to promote bilateral relations with the people of India, and will also serve as a medium to promote the interests and to improve the lives of Indian-Americans here in the United States.

Your efforts bring together the culmination of the hard work and commitment of Young India to the community. As the co-Chair of the India Caucus, I look forward to bridging and developing on this magnificent achievement.

Once again, I congratulate and commend Young India on the launch of their newsletter *Samay*.

Sincerely,

Ileana Ros-Lehtinen  
Member of Congress
